

# Solvent Recycler

5 GALLON CAPACITY

Make your operations more sustainable and cost-effective with a solvent recycler. Crystal Clean's solvent recyclers can provide your business with clean, recycled solvent to use each day, shrinking your environmental footprint and saving you money.

## FEATURES / BENEFITS

- Recycles 5 gallons of used solvent within 4 hours, up to 17 gallons in 8 - 12 hours.
- Simple to use, three step process makes recycling solvent easy.
- Operational control system offers built-in safety programs and continuous monitoring.
- Pressure relief system prevents pressure build up over 3-5 PSI.
- Auto-transfer system pumps dirty solvent into the recycler, then transfers clean solvent into a new container.
